

REMARKS

Claims 2-6 are all the claims pending in the application. Claims 4 and 6 are amended.

The Examiner objects to claims 4 and 6 because they refer to "the surface" but there are at least two surfaces on a light guide plate. Applicant has amended the claims to refer to two surfaces. Applicant notes that the storage type material can be on one or both of the two sides, as illustrated in Fig. 1 (15), Fig. 4 (45) and Fig. 5 (54), and explained at pages 10, 12 and 13.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
